Baserunner Options

The Baserunner options will automatically show while there is at least one runner on during an at bat. **Note: the highlighted row of buttons in the image is not shown when the bases are empty.**

Clicking the red Runners button will access the On Base tab to assign actions that take place before the ball is put in play (such as a stolen base or caught stealing).

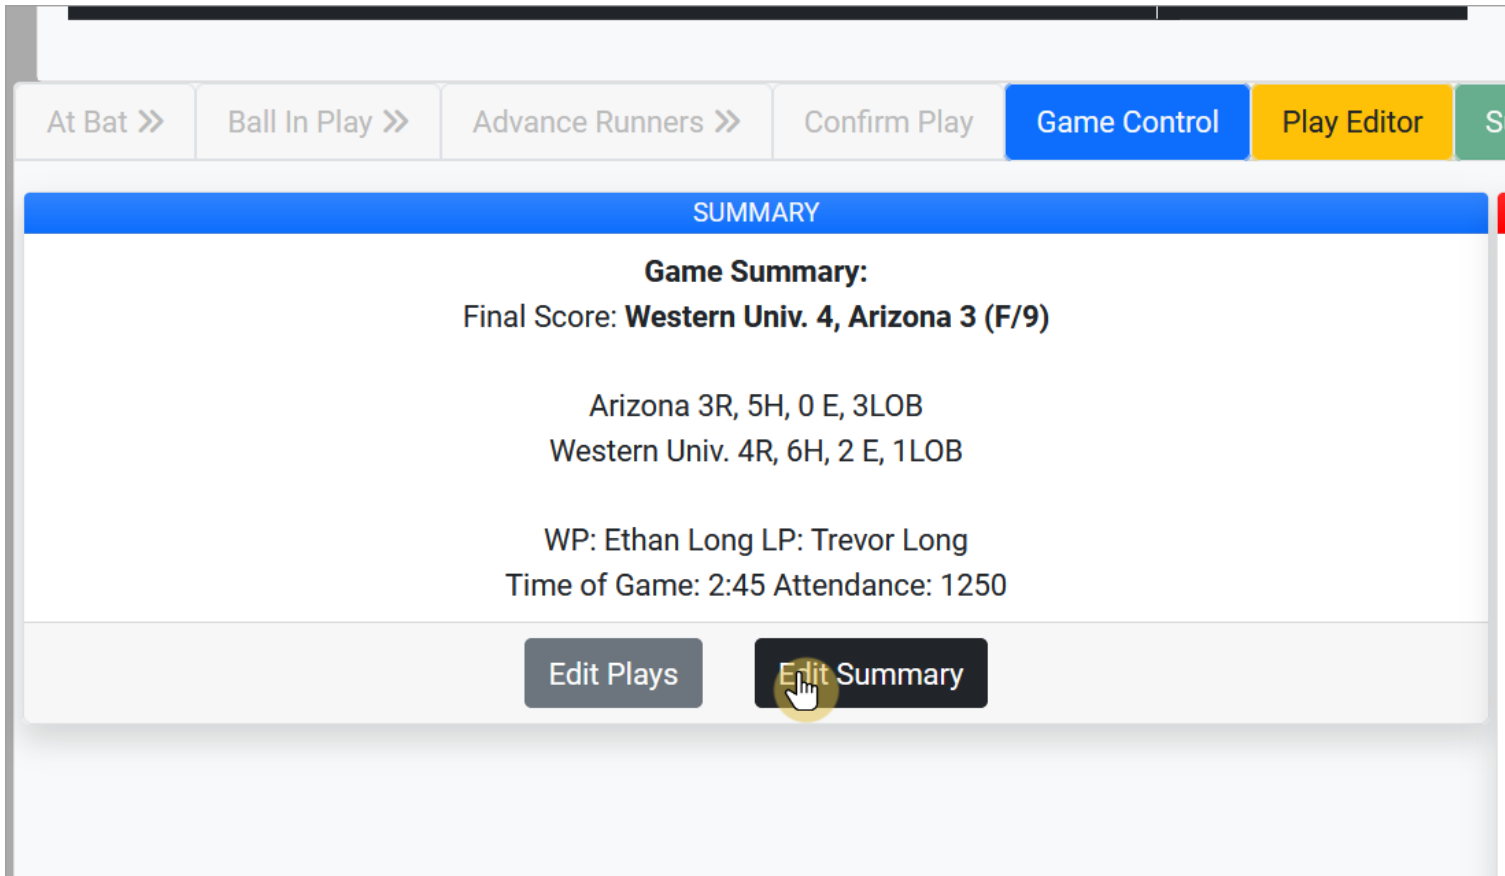

The screenshot shows the AT-BAT interface for Pitcher: #19 Vander Kooi and Batter: #4 McLain. The count is 0-0. The 'Pitches This AB: 0' section contains a grid of buttons: Ball, Call K, Swing K, Foul, In Play, HBP, NP, More +, Runners (highlighted in red), WP, PB, and Balk. Below the grid is a 'Show/Hide Advanced Pitching' button. At the bottom are buttons for ENTER PITCH, RESET ATBAT, UNDO LAST PITCH, and UNDO LAST PLAY. On the right, the 'Eastern State Lineup' is shown with a table of players, where N McLain is highlighted in red. Below the lineup are 'View Card' and 'View Bench' buttons.

On Base Tab

The screenshot shows the StatInput interface with a navigation bar at the top containing buttons for 'At Bat >>', 'Ball In Play >>', 'Advance Runners >>', 'Confirm Play', 'Game Control' (highlighted in blue), 'Play Editor', and 'Su'. Below the navigation bar is a blue header labeled 'SUMMARY'. The main content area displays the following information: 'Game Summary:', 'Final Score: **Western Univ. 4, Arizona 3 (F/9)**', 'Arizona 3R, 5H, 0 E, 3LOB', 'Western Univ. 4R, 6H, 2 E, 1LOB', 'WP: Ethan Long LP: Trevor Long', and 'Time of Game: 2:45 Attendance: 1250'. At the bottom of the summary area are two buttons: 'Edit Plays' and 'Edit Summary' (which has a hand cursor icon over it).

Each runner on base will be displayed with a list of available pre-play actions.

Once an action is selected, any additional selections required will be displayed.

Once you have finished entering the scoring decision, you will be presented with the Play-By-Play narrative and asked to confirm the play.

You must confirm the play by clicking Enter to record the decision and advance to the next batter.

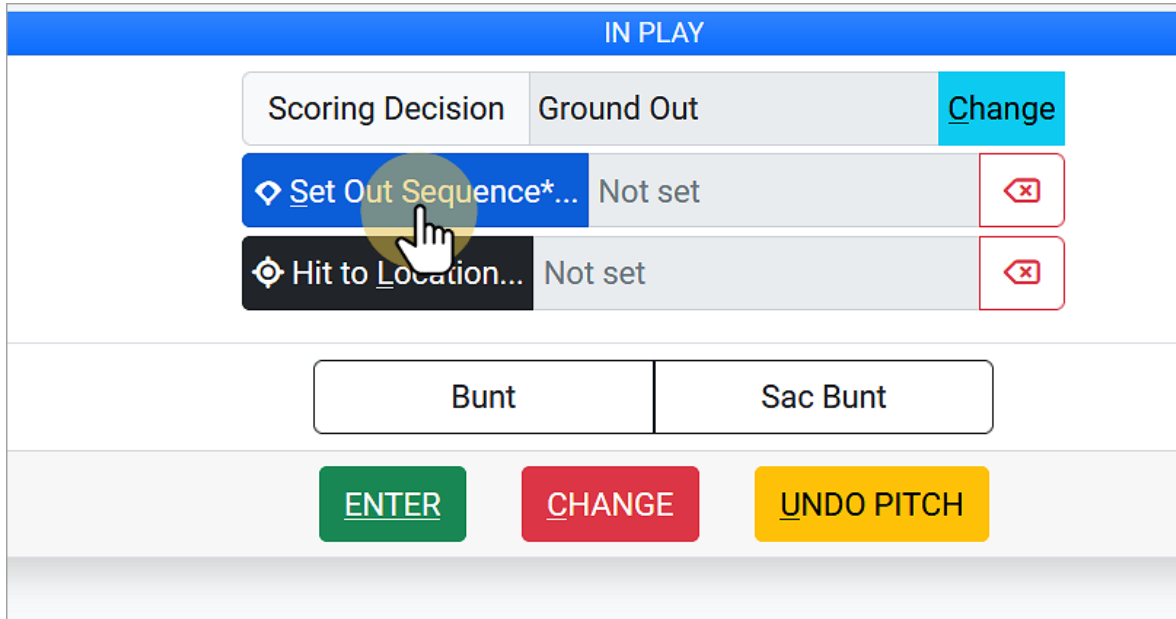

Recording a basic out

Click on In Play to record the ball in play.

The screenshot shows the 'AT-BAT' screen in the StatInput interface. The pitcher is #19 Vander Kool and the batter is #3 Gourson. The count is 1-1. The 'Pitch put in play' button is highlighted with a mouse cursor. Other buttons include 'Call K', 'Swing K', 'Foul', 'HBP', 'NP', 'More +', 'Runners', 'WP', 'PB', and 'Balk'. There are also buttons for 'ENTER PITCH', 'RESET ATBAT', 'UNDO LAST PITCH', and 'UNDO LAST PLAY'. The interface also displays the Eastern State Lineup and Western Univ. Lineup, along with substitution lists and a 'This Inning' summary.

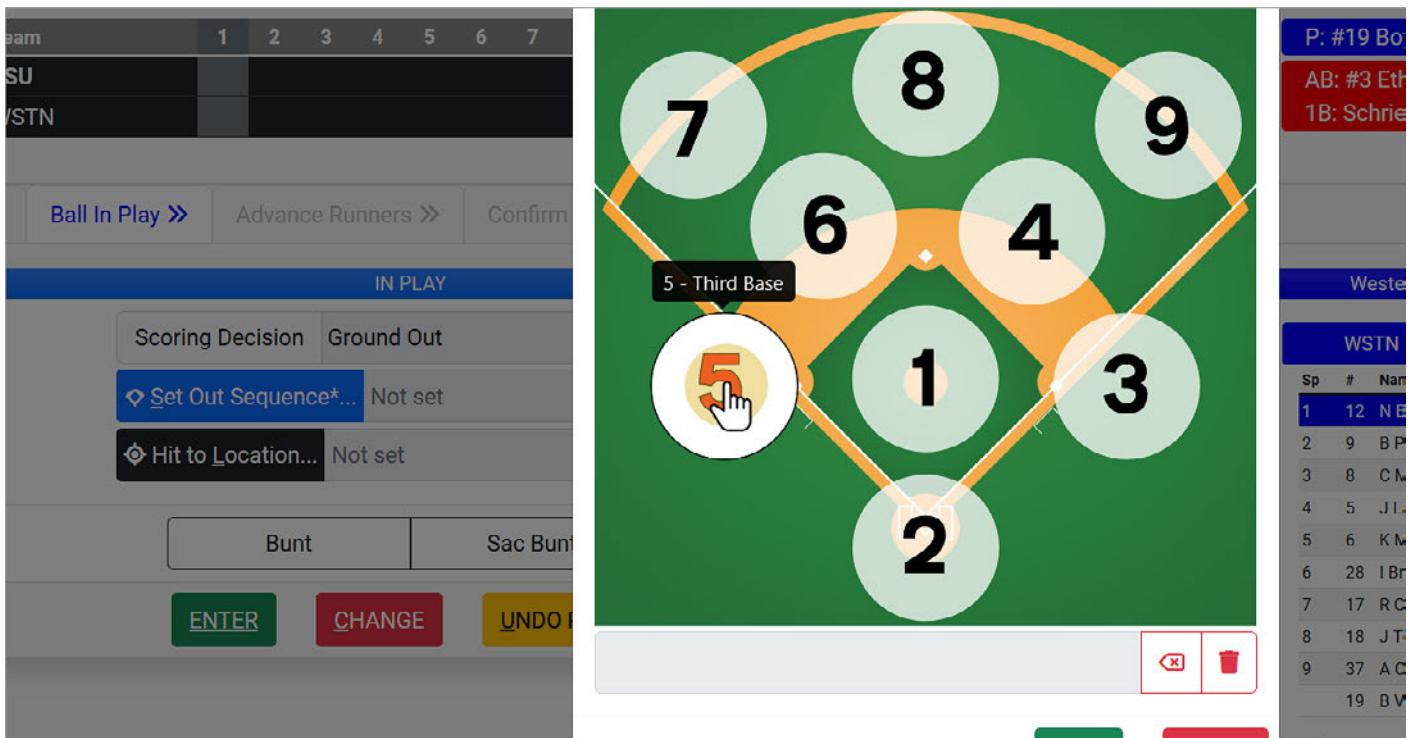

The screenshot shows the 'IN PLAY' screen in the StatInput interface. The 'Ground Out' button is highlighted with a mouse cursor. The 'Scoring Decision' table is visible, with options like 'Single', 'Double', 'Triple', 'Homerun', 'Walk', 'Int Walk', 'Hit By Pitch', 'Error', 'Foul Pop/Fly', 'Fly Out', 'Line Out', 'Pop Out', 'Doub/Trip Play', 'Reached Waiting', 'Batter Inf', 'Out', and 'Batter Advanced'. There are also buttons for 'ENTER', 'CHANGE', and 'UNDO PITCH'. The interface also displays the Eastern State Lineup and Western Univ. Lineup, along with substitution lists and a 'This Inning' summary.

Select the type of out.

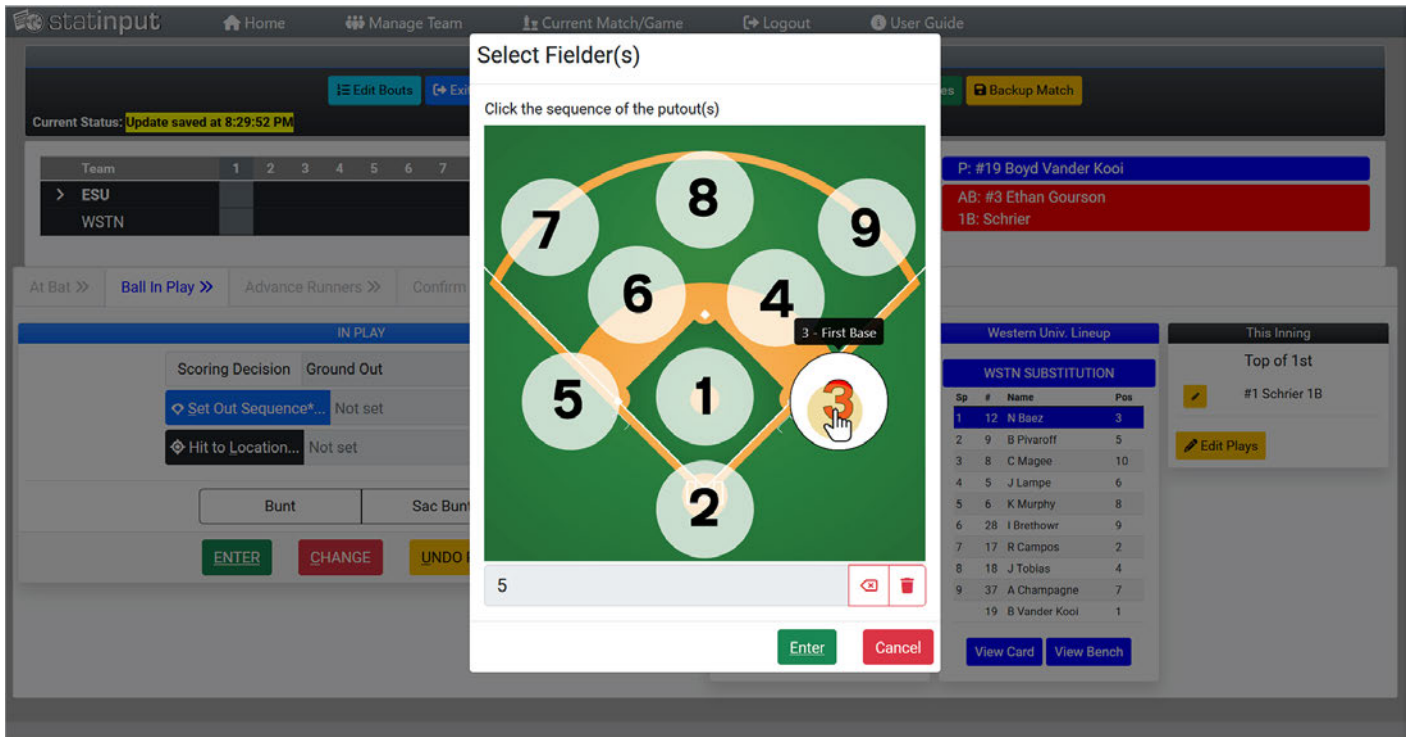

Click on Set Out Sequence to record the fielders who earned assists and the putout.

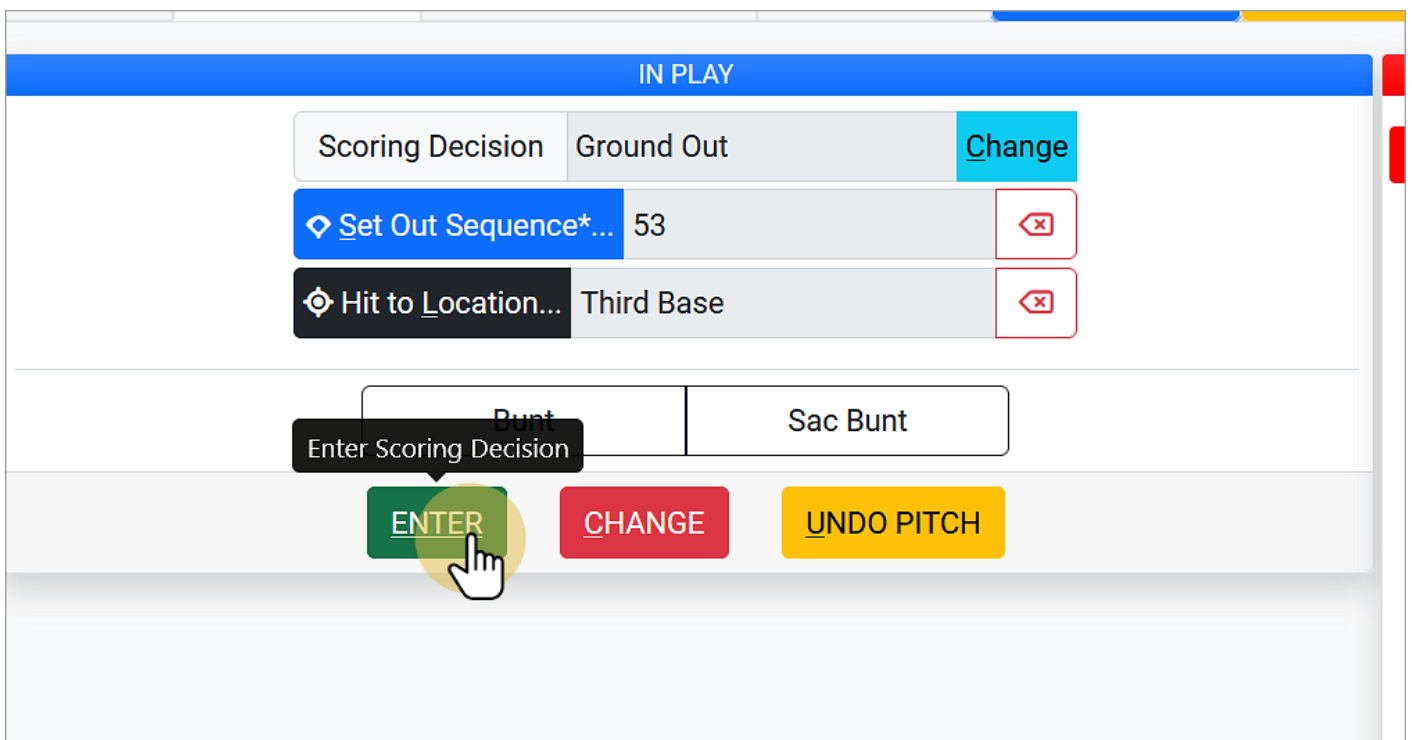

For plays that do not award assists (such as fly, line and pop outs), you will only be able to select one fielder.

6. Basic Scoring/Introduction to Interface

Click on each fielder in the sequence. The final fielder in the sequence will be credited with the putout.
