User's Guide

5. Adding a New Game

Begin by selecting 'Add Game' from the main football menu

Team Rosters

Click on Load Team Roster and select a roster from the list to load.

Note: you should create rosters in the Roster Manager before creating your games.

5. Adding a New Game

Click on 'Find a StatBroadcast Event' and select your event from the popup window.

If you don't see your event, you may need to schedule a new event in StatBroadcast (use the turquoise button to do that quickly). *Note: only upcoming events for the selected sport are shown.*
